ARTICLE I. PURPOSE OF PLAN

The purpose of the State of Iowa Cafeteria Plan (the Plan) is to allow eligible Employees to pay Benefit Costs and other medical, dental and dependent care expenses using pretax dollars.

The Plan consists of three plans: the premium conversion plan; the dependent care flexible spending account plan; and the health flexible spending account plan. The Employer adopted the premium conversion plan on August 1, 1989; the dependent care expense plan effective April 1, 1990; and the health flexible spending account plan effective January 1, 2000. The Employer has, therefore, adopted the restated Plan effective January 1, 2000, as amended from time to time, for the exclusive benefit of those Employees who are eligible to participate.

The Plan is intended to qualify as a “cafeteria plan” within the meaning of Section 125 of the Internal Revenue Code of 1986, as amended and shall be construed in a manner consistent with that Section. The tax implications of this Plan, however, are subject to rulings, regulations and the application of the tax laws of the state and federal government. Although it may anticipate certain tax consequences as being likely, the Employer does not represent or warrant to any Participant that any particular tax consequence will result from participation in this Plan. By participating in the Plan, each Participant understands and agrees that in the event the Internal Revenue Service or any state or political subdivision thereof should ever assess or impose any taxes, charges and/or penalties upon any benefits received under the Plan, the recipient of the benefit will be responsible for those amounts, without contribution from the Employer.

This Plan is intended not to discriminate as to eligibility or benefits in favor of any prohibited groups under Sections 105, 125, and 129 of the Code.

ARTICLE III. ELIGIBILITY AND PARTICIPATION

3.01 Eligibility. All Eligible Employees are eligible to participate in the Plan. An Employee must be eligible to participate in the Benefit Plan on the first day of the Plan Year to be a Participant in the Plan on that day. Employees who become eligible during the Plan Year shall be allowed to participate in the Plan for the remainder of the Plan Year following their eligibility date.

3.02 Participation. Participation is established on a Plan Year to Plan Year basis. Each Eligible Employee shall be a Participant in the Plan for a Plan Year as follows:

- a. For purposes of receiving Benefit Cost benefits under section 4.01, participation will be automatic, unless an Employee elects not to participate under this Plan for a Plan Year for purposes of Benefit Costs. An Employee who is eligible to participate may elect not to participate by completing and filing an appropriate declination form with the Employer within the election

period established by the Employer. An employee who elects not to participate with regard to payment of Benefit Costs shall pay for such Benefit Costs under the Benefit Plan on an after-tax basis.

- b. For purposes of receiving reimbursement from the health care flexible spending account plan and/or the dependent care flexible spending account plan, participation begins when the appropriate valid Salary Reduction Agreement(s) have been filed and become effective under Article VI. A Participant's Salary Reduction Agreement shall terminate at the end of the Plan Year. A Participant must make an affirmative election for salary reduction for each Plan Year.

3.03 Irrevocability. A Participant may not revoke or amend participation in the Plan during a Plan Year except under the following circumstances:

- a. On account of a change in status and the revocation or amendment corresponds to, is consistent with and on account of the change in status as defined in Section 125 of the Code. Changes in status are defined as changes in:

Legal marital status. Events that change an employee's legal marital status, including the following: marriage; death of spouse; divorce; legal separation; and annulment.

Number of dependents. Events that change an employee's number of dependents, including the following: birth; death; adoption; and placement for adoption. In the case of dependent care, the change must be in the number of qualifying individuals as defined in IRC section 21(b)(1).

Employment status. Any of the following events that change the employment status of the employee, the employee's spouse, or the employee's dependent:

- a termination or commencement of employment;
- a strike or lockout;
- a commencement of or return from an unpaid leave of absence of more than 30 days; and
- a change in work-site.

In addition, if the eligibility conditions of the cafeteria plan or other employee benefit plan of the employer of the employee, spouse, or dependent depend on the employment status of that individual and there is a change in that individual's employment status with the consequence that the individual becomes (or ceases to be) eligible under the plan, then that change constitutes a change in employment (e.g., if a plan only applies to salaried employees and an employee switches from salaried to hourly-paid with the consequence that the employee ceases to be eligible for the plan, then that change constitutes a change in employment status).

Dependent satisfies or ceases to satisfy eligibility requirements. Events that cause an employee's dependent to satisfy or cease to satisfy eligibility requirements for coverage on account of attainment of age, student status, or any similar circumstance.

An election change is allowed only if the election change is on account of and corresponds with a change in status that affects eligibility for coverage under a benefit plan.

- b. Other circumstances that the administrator determines will qualify under Section 125 of the Code.

A revocation or amendment of participation must be made within thirty (30) days after the change in status occurs and will be effective for the balance of the Plan Year in which the election is made, beginning on the first day of the month following the month in which the election is made.

3.04 Termination of Participation. Except as provided in Section 3.05 below, participation with regard to Benefit Cost(s) and Qualified Health Care Expenses provided under this Plan during a Plan Year terminates on the first to occur of the following: the last day of the month in which a Participant's last salary reduction was made, the effective date the applicable Salary Reduction Agreement is revoked, or the date the Plan is terminated.

Notwithstanding any provision of the Plan to the contrary, coverage with regard to Qualified Dependent Care Expenses provided under this Plan during a Plan Year terminates on the earlier of the end of the Plan Year or the date the Plan is terminated.

The former Participant shall be entitled to submit a request for reimbursement of Qualified Health Care Expenses and Qualified Dependent Care Expenses, in accordance with Article VII, provided such Qualified Health Care Expenses were incurred while the former Participant participated in the Plan and Qualified Dependent Care Expenses were incurred prior to the end of the Plan Year. A Participant will not be eligible for reimbursement of Qualified Health Care Expenses or Qualified Dependent Care Expenses incurred prior to the effective date of his/her participation under the health flexible spending account plan or the dependent care flexible spending account plan.

If participation terminates due to a separation of service and the individual returns to eligible employment within 30 days in the same Plan Year, then the Participant's election will be reinstated as it was immediately prior to the separation of service. If participation terminates due to a separation of service and the individual returns to eligible employment after 30 days in the same Plan Year, then the Participant may make a new election for the remainder of the Plan Year. If salary reduction contributions were not made during the separation of service, the Participant will not be able to be reimbursed for expenses incurred during the separation.

Notwithstanding any provisions of the Plan to the contrary, a former Participant may under circumstances specified in 3.05, elect to continue coverage for Qualified Health Care Expenses by submitting the required self-payment premiums as set forth in section 3.05 herein.

3.05 Continuation Coverage.

- a. Eligibility. If on the date of the Qualifying Event, a former Participant or a Qualified Beneficiary has remaining Qualified Health Care benefits in excess of remaining contributions, then he/she may continue coverage for Qualified Health Care Expenses for the remainder of the Plan Year, by making an election to do so with the Employer and submitting the applicable self-payment contribution. The Employer will establish the amount of the monthly self-payment contribution.
- b. Procedures to Elect Self-Payment for Continuation Coverage.

1. In the case of a Qualifying Event described in section 2.16, a. or b., (death or termination of employment or reduction in hours) a Qualified Beneficiary will receive information concerning continuation coverage, including the self-payment rates, within fourteen (14) days of loss of coverage.
2. In the case of a Qualifying Event as described in section 2.16, c. or d., (legal separation or divorce, or a child no longer qualifies as a Dependent) a Qualified Beneficiary must notify the Employer within sixty (60) days of the Qualifying Event. If notice is not received within sixty (60) days of the Qualifying Event, the Qualified Beneficiary will not be eligible for continuation coverage.

Following receipt of timely notice of a Qualifying Event and within fourteen (14) days of receipt of such notice, the Employer will provide the Qualified Beneficiary with information concerning continuation coverage and rates.

3. After notification of continuation coverage, the former Participant or Qualified Beneficiary will have sixty (60) days to elect continuation coverage, after the **later** of:
 - (a) the date that the former Participant or Qualified Beneficiary would lose coverage on account of the Qualifying Event; or
 - (b) the date that the former Participant or Qualified Beneficiary is sent such notice.
4. The first monthly payment (which will include premiums for all months since coverage terminated) must be received by the Employer within forty-five (45) days of the date the former Participant or Qualified Beneficiary elects to continue coverage. Each subsequent payment is due by the first (1st) day of the month for which coverage is elected, and shall be considered timely if received within thirty (30) days of the date due.
5. If premiums are not received in a timely manner, coverage will terminate. No claims will be paid until premium payment is received by the Employer in accordance with paragraph 4.

6. The election must specify which Qualified Beneficiaries are electing COBRA continuation coverage. If it does not specify the Qualified Beneficiaries, the election shall be deemed to be an election on behalf of all Qualified Beneficiaries.
- d. Termination of Continuation Coverage. Continuation coverage as provided under this section will terminate on the **earliest** of the following dates, as applicable:
1. the date after election of continuation coverage that the former Participant or Qualified Beneficiary first becomes covered under any other group medical coverage as an Employee or dependent. In the event such other group medical coverage has a pre-existing condition clause or limitation, continuation coverage will not terminate until exhaustion of the maximum period continuation coverage is allowed or until the pre-existing condition clause or limitation has been satisfied;
 2. the end of the period for which the last payment was made for coverage in a timely manner;
 3. the end of the Plan Year; or
 4. the date the Employer ceases to provide the health flexible spending account plan.

3.06 **Death of a Participant.** With respect to Qualified Dependent Care Expenses, if a Participant dies, the Participant's participation in the Plan shall cease. However, such Participant's beneficiaries, or the representative of the Participant's estate, may submit claims for expenses or benefits for the remainder of the Plan Year or until the account balance is exhausted. A Participant may designate a specific beneficiary for this purpose. If no such beneficiary is specified, the Employer may designate the Participant's Spouse, one (1) of the Participant's dependents, or a representative of the Participant's estate.

The Participant shall pay:

9.02 Appeal of Denial of Benefit. If the claimant wishes further consideration of his/her claim, he/she may request a review. The Employer shall schedule a review on the issue within thirty (30) days following receipt of the claimant's request for such review. The decision following such review shall be communicated in writing to the claimant and, if the claim is denied, shall set forth the specific reasons for such denial, citing the pertinent provisions of the Plan. The decision of the Employer as to all claims shall be final.
